MOUNTAIN COTTAGES

**For guests driving from Cape Town, the quickest (most of the time!), and most scenic route to Ceres is via the Slanghoek Valley (195 km from central Cape Town):**

Take the N1 through the tunnel (just after Paarl) in the direction of Worcester. Approximately 14kms after the tunnel, take what is the first turn-off RIGHT after the tunnel towards Rawsonville (R101). This road (Old N1) then runs parallel with the freeway. After around 6kms, turn left to Slanghoek and follow signs to Ceres.

Note: The Slanghoek road goes through a drift after 19kms which, if it's been very rainy, may be impassable. You will then have to go back the way you came for 14kms and turn left into the Goudini Road.

Note: If the N1 is very busy (eg. On Friday afternoons), it is sometimes quicker to go via Malmesbury/N7 (204 km from central Cape Town).
